

FieldTest Companion — DEMO PRINT CARD

Prototype only. Do not use this card as a real drug-testing reference standard.

REFERENCE CARD

Keep this card on the LEFT side of the camera frame.

DUMMY TEST STRIPS

Place ONE strip on the RIGHT side of the frame.

DEMO POSITIVE — MAGENTA

DEMO NEGATIVE — YELLOW/GREEN

For the prototype video:

1. Put the reference card on the LEFT.
2. Put either dummy strip on the RIGHT.
3. Avoid glare and strong shadows.
4. Capture and show the classification + PDF sharing flow.
